32. In order to maintain a high degree of confidence in the MCA All Breeds Junior Show, the MCA staff reserves the right to disqualify any animal that has been fitted in an unethical fashion. Unethical fitting shall include any injection of gas, air or other foreign substances, solid or liquid under the skin, as well as any cutting or tearing of the hide or underneath the hide for removal of tissue in any attempt to alter the shape of the individual as well as the attaching to the hide foreign objects including hair or hair substitutes, cloth or fiber for the purpose of deception. Any animal found to have surgical alterations other than dehorning or castration will be disqualified. Any attempts to change the degree of firmness of any individual shall also be considered unethical. Pumping or

artificial means of filling animals internally is prohibited.

33. T-shirts are included in the price of registration for each exhibitor. T-shirts must be worn by exhibitors when in the show-ring, including during showmanship. Extra t-shirts may be sold following registration.
34. The three-strike rule will be enforced. The third time that an exhibitor loses control of their animal in the show ring, they will be removed from the show.
35. Entry numbers will be assigned for each animal exhibited during the All-Breeds Junior Show. Exhibitors MUST have the corresponding entry number in their show harnesses or clips for each entry. If using a show harness, exhibitor numbers should be placed in the front pocket.
36. The MCA, staff, representatives and volunteers will not be responsible to any person, individual, corporation or association for any loss by fire, theft, damage or personal injury sustained by anyone through the negligence of any person or group of persons, exhibits or exhibitors while participating at a MCA show or function

BREED ELIGIBILITY RULES

Angus - Heifers and Steers must be 100% Angus and have registration certificates that are in the name of the Junior Exhibitor and only the Junior Exhibitor, in hand at the time of Check-In. These animals must have readable tattoos and exhibitors must follow the rules and guidelines set forth by the American Angus Association.

Charolais and Charolais Composite - Heifer registration certificates must be in the junior exhibitor's name. Purebred heifers must show an AICA registration certificate. Composite heifers must be composed of at least 50% and no more than 15/16 parentage and must have an AICA recordation certificate. Steers do not require a registration certificate but must exhibit physical characteristics of an animal that is at least 50% purebred Charolais. Both steers and heifers will follow percentage guidelines set forth by the American International Charolais Breeders Association.

Chianina - All percentages of Chianina that can be registered are eligible—full blooded requires 100% Chianina blood and purebred requires no less than 15/16—provided that the sire and dam are registered in the America Chianina Association registry.

Gelbvieh and Gelbvieh Balancer - Heifers must be 75% or greater Gelbvieh and have registration papers. The AGA allows 25% to 75% Gelbvieh, 25% to 75% or red Angus, with up to 1/8th other or unknown ancestry as a Balancer.

Hereford - All heifers must conform to the rules and regulations set forth by the American Hereford Association and have proof of registration in the junior exhibitor's name at check in. Hereford Steers are required to have an official Steer Certificate issued by the American Hereford Association. **All senior calf and yearling calf entries can be born after August 1, 2023.** Steers must be out of a registered Hereford bull and a registered or commercial Hereford cow. There will be no separation of Polled and Horned Hereford animals.

Limousin - Females with 75 percent or greater Limousin blood and orange NALF registration papers born from Sept. 1, 2023, to January 31, 2025, will be eligible to compete in the Limousin female show. Females registered as Lim-Flex® having purple NALF registration papers are eligible for the Lim-Flex Female show. All steers that qualify for registration with the North American Limousin Foundation as a percentage, purebred or Lim-Flex® will be eligible for the steer show. All percentages will show together and be split based on weight.

Maine Anjou - Only those Maine Anjou Heifers, which are 75% or greater Maine Anjou and recorded with the American Maine Anjou Association, will be allowed in the Maine Anjou show. Steers must be recorded in the exhibitor's name with the AMAA.

MaineTainer - MaineTainer females must be a minimum of 1/4 Maine Anjou and range up to 5/8 Maine Anjou. All females falling below 1/4 Maine Anjou requirement will be shown in the Crossbred Division, and all that are over 3/4 Maine Anjou will show in the purebred division.

Red Angus - To qualify for exhibition in the purebred Red Angus show, animals must have qualifying paperwork that would include Category 1A (100%) or Category 1B (87% through 99%) registration. All animals in Category 1A and Category 1B will show together in the

same class.

Percentage Red Angus - To qualify for exhibition in the percentage Red Angus show, animals must have qualifying paperwork that would include Category 2 or Category 3 registration. Category 2 registrations must have a sire or dam that are registered Red Angus and Category 3 registrations must be at least 50% red hided and poled, no black hided or black animals. All animals in Category 2 and Category 3 will show together in the same class.

Salers - Must be sired by a registered Salers bull and be at least 50% Salers. Heifers must have proof of registration available for verification at check-in.

Simmental - Heifers must have 7/8 or greater Simmental blood and be recorded by the American Simmental Association. Steers must be 50% or greater Simmental. All animals must have registration papers available for verification at check-in. Champion and Reserve Heifers and Steers are subject to blood tests to confirm percentage.

Foundation Simmental – All Foundation Simmental females must be a minimum of 1/2 Simmental and be sired by both an ASA registered sire & dam. This includes percentage Simmental animals registered as SimSolution, SimAngus, and Simbrah. All heifers that fall below 1/2 will show in the Crossbred division, and all that are 7/8 Simmental and greater will show in the purebred division. All animals must have registration papers available for verification at check-in.

Shorthorn and Shorthorn Plus – Shorthorn heifers and steers both must be 15/16 Shorthorn or higher- no exceptions. Both steers and heifers must have registration certificates in hand at check in. Shorthorn Plus heifers and steers must be a minimum of 1/2 Shorthorn and can be up to 15/16 Shorthorn. All animals must have registration papers available for verification at check-in.

Crossbred – Heifers and steers that do not meet qualifications to be registered by any specific breed and any animal that does not have official breed registration papers will be considered and shown as crossbreds.

All Other Breeds – Animals meeting qualifications to be registered, have official breed registration papers, and have less than 10 other animals registered in the breed will be considered and shown as All Other Breeds.
