

COWBOYS AT THE CAPITOL

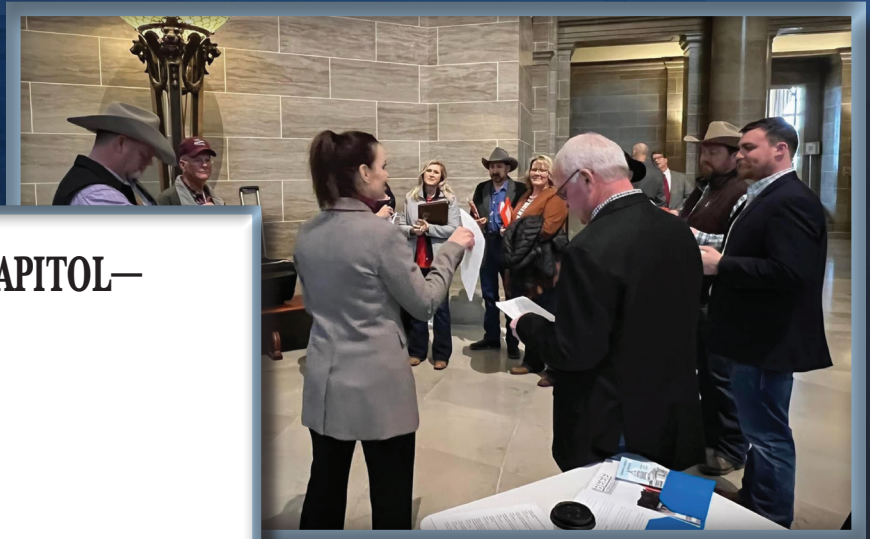

Join your fellow cattlemen and make your voices heard!

MCA continues to be the voice of the beef cattle industry in Jefferson City. The 2024 legislative session has kicked off, and that means bringing cowboy hats back to the halls. Your legislators need to hear from you how their decisions affect your family and your business. See the schedule below and contact your regional vice president to be a part of one of MCA's most successful programs.
