

MISSOURI CATTLEMEN'S LEADERSHIP COLLEGE

Moving Missouri's Beef Industry Forward.

MCLC PROGRAM:

Beginning in 2027, Missouri Cattlemen's Leadership College program has transitioned into a two-year program. This allows more flexibility for participants to be away from their operation in a year's time while still attending sessions and increasing their knowledge in the cattle industry. Up-and-coming leaders in the beef industry will be nominated by their county affiliates and/or MCA leadership and selected to become the next class of the Missouri Cattlemen's Leadership College. They will participate in sessions aimed at educating them on various aspects of the beef industry and prepare them to be advocates and leaders for Missouri's beef industry.

**APPLICATIONS FOR MCLC CLASS ARE OPEN AT MOCATTLE.ORG.
APPLICATIONS MUST BE SUBMITTED BY DECEMBER 1ST, 2026.**
